

COMPETITOR ATTRIBUTES

FOR LECTURERS USE / INFORMATION ONLY

- ▶ The undernoted list identifies the main personal attributes which are required for skills competitions participants to perform at a high level.
- ▶ This list should be used by colleges and training providers which will assist in the identification of the most suitable candidates to enter Skillbuild NI competitions.
- ▶ The two key starting points here for lecturers to assess are points 1 & 2.
- ▶ Point 1 is an essential starting point. A good way to test their commitment to their own personal self development is by inviting them to attend additional evening training sessions in their own time.
